

WEEK #	LAB #	LAB NAME	COMMON ITEMS (can be bought anywhere)	MATERIALS YOU NEED TO PURCHASE OR BORROW- HST (Home science tools) or Amazon	Prices/links
16	16	Kingdoms Archaeobacteria, Eubacteria and Protista		Microscope (purchased in 1st semester)	
			You can look these up online if you do not want to purchase the slides	3 types of bacteria slide	https://www.homesciencetools.com/product/bacteria-slide-three-types-smear/
				Amoeba slide	https://www.homesciencetools.com/product/amoeba-proteus-slide-wm/
				Paramecium slide	https://www.homesciencetools.com/product/paramecium-caudatum-slide-wm/
				Volvox slide	https://www.homesciencetools.com/product/volvox-green-algae-slide-wm/
17	17	Leaf Characteritics	1 piece of construction paper 8.5 X 11'		
			Clear tape		
18	18	Flower Dissection	Flowers (lily + others-5 total)	Dissection Kit \$9.95 (will be used many times this semester)	https://www.homesciencetools.com/search?search_query=dissection+kit
			scissors		
			Microscope, slide and coverslip	purchased first semester	
19	19	Earthworm Dissection		Dissection Kit (used in Lab #18)	
				Earthworm (needs to be dead) \$1.45	https://www.homesciencetools.com/product/earthworm-8-10-inches-plain-specimen/
			T-pins can also be bought at a fabric/sewing store	T-pins \$5.85	https://www.homesciencetools.com/product/dissection-pins-100-pack/

WEEK #	LAB #	LAB NAME	COMMON ITEMS (can be bought anywhere)	MATERIALS YOU NEED TO PURCHASE OR BORROW-HST (Home science tools) or Amazon	Prices/links
			Piece of cardboard to pin specimen onto		
			Rubber/latex gloves		
20	20	Squid Dissection	Dissection Kit (used in Lab #18)		
			Buy a fresh whole squid at seafood market		Seafood City Supermarket 17202 Norwalk Blvd, Cerritos, CA. Closes 9PM · (562) 207-4421
			Tray, plate or towel to dissect on	or order a preserved squid \$9.20	https://www.homesciencetools.com/product/squid-8-12-inches-plain-specimen/
21	21	Fish Respiration Rates	1-2 goldfish	Petco \$.50 each	
			thermometer (C)	\$4.50	https://www.homesciencetools.com/product/thermometer-fahrenheit-celsius-12-inches/
			Ice cubes		
			Warm water		
			Sandwich sized ziplock bags-2		
			Large bowl or small aquarium for fish		
22	22	Frog Dissection	Dissection Kit (used in Lab #18)	Preserved Frog \$4.50	https://www.homesciencetools.com/product/frog-grass-3-4-inches-plain-specimen/
			ruler (cm)		
			small straw (like coffee stirrer)		
			t-pins from Lab #19		
			gloves (latex, rubber)		
			Pan or tray for frog		

WEEK #	LAB #	LAB NAME	COMMON ITEMS (can be bought anywhere)	MATERIALS YOU NEED TO PURCHASE OR BORROW-HST (Home science tools) or Amazon	Prices/links
23	23	Observing Hair and Feathers	down feather	Microscope, slides, coverslips from Lab #4	
			contour feather		
			magnifying glass		
			hair samples from various animals (dog, cat, hamster, rat, etc)		
			ruler (mm markings)
